

The e-biz platform www.nceebiz.com, to enable trading of Goods and Services Online is the latest service introduced by the National Chamber of Exporters of Sri Lanka. This Platform which is available for exclusive use by NCE Members will enable them to reach International Buyers, by creating awareness regarding their Products and Services. This cost effective method will enhance the avenues of promoting products and services through digital marketing and to access global markets and will enable the NCE member exporters to be abreast with competitors in the international market place.

National Chamber of Exporters of Sri Lanka (NCE) is the only private sector Chamber which exclusively serves Sri Lankan Exporters. At present the Chamber has around 500 member companies comprising Exporters across all Products and most Services sectors, and also Service Providers to Exporters such as freight forwarders, couriers, banks, suppliers etc. The NCE is reputed as the “Voice of the Exporter”, and the membership includes some of the leading Export Houses in Sri Lanka.
