

The Sri Lanka Technological Campus (SLTC) Research University is organizing its annual research conference IRC 2022 to be held on 29-30 September 2022 in hybrid mode under the main theme of “Technological Advancements for Sustainability”.

Time : 29-30 September 2022

Venue : SLTC Padukka Premises on Hybrid mode

IRC2022 invites the submission of extended abstracts by undergraduates, graduates, postgraduates, support staff, and academics from local and foreign universities, research organizations, and elsewhere in the following Research Areas:

-

Biomedical Engineering

-

Civil Engineering and Built Environment

-

Electrical, Electronics, Mechanical and Systems Engineering

-

Information and Communication Technology

-

Mathematics and Statistics

-

Machine Learning, Artificial Intelligence and Robotics

-

Social Sciences, Humanities, Culture and Education

-

Economics and Business Management

-

Sustainable Agriculture, Environment and Food Security

Authors are invited to submit their extended abstracts through the Easy Chair platform via <http://easychair.org/conferences/?conf=irc20222>

. The IRC2022 will host pre-event workshops, exhibitions, seminars, and conferences on specific themes.

More details can be obtained from <https://irc2022.sltc.ac.lk/>
